October – November 2023 School Calendar Update

Dear Parents and Carers, welcome to our News Update for October and November 2023.

Well done to all the children for their efforts in September.

Thank you to all Parents and Carers for supporting the children with learning and uniform.

A few highlights for the next couple of months that will be helpful for you to plan ahead.

Please find these in the column to the right.

Our School's Participatory Budget is currently being prepared and we will consult with you in due course to finalise and agree for implementing.

For safety reasons, the school may require to spontaneously close front vehicular access gates and the pedestrian gates at front of school, during the school day. If this action is required, parents attending the school should wait until the gates have been reopened to access the school grounds. If parents require immediate access due to a personal emergency or for appointments during this action, parents can call to the school office for further instructions. This would be a temporary measure and the gates would re-open as soon as appropriate.

A full Newsletter will be forwarded after the October week break.

Best Regards

J.McSorley

Education Resources

Executive Director: Carole McKenzie
Head Teacher: Miss Claire-Louise Mullen
