Executive Director C McKenzie
St Peter's Primary School
Head Teacher: **Miss CL Mullen**

9th February 2024

Dear Parents/Carers,

As an extension to the most recent School Newsletter, I write to remind parents/carers of the partnership work of St. Peter's Primary School, Neilsland Primary School and Woodlands Nursery in seeking to address traffic management issues impacting establishments at entry and drop-off times. Concerns have been raised regarding the safety of children in transit given the levels of traffic congestion.

As you will be aware from previous communications, parking at emergency entrance and exits is not permitted. Drivers of vehicles parked in these locations will be asked to move their vehicles for the safety of our children.

In addition, the school asks that parents/carers refrain from parking in Neilsland Primary School car park or in using their car park as a through road or turning point. It is hugely important that Neilsland Primary School can also implement their specific Traffic Management Plan for the safety of children in Neilsland Primary School. We understand that parents/carers of children attending Woodlands Nursery can access Woodlands Nursery car park at the time of drop-off and collection of nursery children. As a courtesy to our neighbours, I endeavour to upload this communication to the school website to ensure a wide exposure to this information and to prompt all road users to consider the safety protocols of all three establishments in their endeavours to minimise safety risks. We continue to encourage families to engage with active forms of transiting to and from school e.g. walking, cycling and scooting etc.

Kind Regards

CL Mullen
