Tuesday 11 August 26

Dear Parent/Guardian

Congratulations to our new Primary 1 children who are due to start school on 13 August 2026. We hope the children settle well on their first day and are delighted to learn, play and meet new staff and friends. The school wish the children all the very best for their learning journey at St. Peter's Primary School.

In order to provide a nurturing 'soft start' for our Primary 1 children, we ask that the children attend school from 9.30am and are collected at 2.30pm on their first day 13 August 2026. From 14 August to 21 August 2026, one parent / carer can support their child to the classroom door in the morning. Primary 1(only) parental access to the playground will be granted for this time period to help the children to settle. From Monday 24 August 2026, the children will enter the school playground at the gate independently and join their friends in the playground until the 9am bell rings. In the event of inclement weather, the children will be supported by staff to relocate to their class. Children with medical protocols should report directly to a member of staff in the playground on arrival. For safe dismissal, we ask that the children are collected promptly from the school gate at 3pm by a parent approved named adult aged 16 or over.

We hope parents/carers feel welcomed to the school community and are eager to embrace partnership opportunities. All parents/carers are welcome to join any Parent Teachers Association at set up throughout the school year. We look forward to working in partnership with families to offer support and experiences for all children.

Kind Regards

CL Mullen
