A Positive Start to the School Year

Congratulations to all children and staff for making a positive start to the school year. The children have generally settled well to learning in their new classes and are re-engaging with their peers, forming friendships and exploring their school environment. As a school community, we continue to aim to promote a learning and faith life climate of excellence, innovation and belonging.

Vision Values and Aims

The start of a new school year is an ideal opportunity to remind our school community of St. Peter's Primary School's refreshed 'Vision, Values and Aims' which were published in session 2024-2025. The school's vision is to foster excellence, innovation and belonging. Our school values are **Excel, Ambition, Teamwork, Nurture and Kindness**. Please see page five below for details of the school aims.

Global Citizenship

The children have been working collaboratively to devise their annual Class Charters for session 2026-2027 in accordance with learning relating to the United Nations Convention on the Rights of the Child (UNCRC). Class Charters will be used to refresh the whole School Charter for this session. Children are developing a growing awareness of their rights and responsibilities within the school setting and beyond in their communities. Children are continuing to raise their awareness of the concept of 17 Global Goals and will be supported to recognise their successes and contributions towards achieving this international agenda.

Pupil Leadership Roles

Congratulations to our new School Captains Alfie and Lily-Mae who were selected after interview and a pupil vote election process. Both School Captains are tasked with responsibility to model excellence in commitment to learning, school engagement, attendance and behaviour in school and in our local community. In addition, we congratulate our new: House Captains, Vice House Captains, Junior House Captains, House Administrators, JRSOS, Side Kick Play Team, Global Citizenship Committee, Health Committee, Digital Ambassadors, Literacy Ambassadors, Buddies and P7 Leaders for this session. It is hoped all representatives will work hard to complete their roles and responsibilities and to contribute meaningfully to sharing 'pupil voice' for school improvement. Photographs of our Leadership Teams will be featured in Digital Sways throughout the school year.

8th September 2024 Celebration of Our Lady's Birthday

In celebration of Our Lady's Birthday, we hope to make a whole school donation to the local Foodbank on **8th September 2026**. We would be very grateful of any donations of: tins, cans, packaged foods, toiletries or cleaning materials which you feel would be useful for families in our local community. The House Captains will award children donating items with 10 house points.

School Support

Pupil learning support is the responsibility of the class teacher. At times, your child may be offered additional support for learning to help them to overtake specific targets for allocated periods of time, staff permitting. This additional support may be provided Mrs Wilson (PT), teaching staff, support assistants, Ms K Dickson (English as Additional Language Specialist Support Teacher), Ms K Stewart (Specialist Support Teacher) and Ms D Carrigan (Educational Psychologist) depending of your child's needs and the overall school priorities for assessment and intervention. Please note, although your child may be allocated periods of support, interventions are required to be offered fairly across the school on a needs based basis. Intervention allocations will be reviewed at approximately six weeks intervals. Changes to school priorities can sometimes occur due to the changing needs of learners and circumstances of families throughout the school year. Parents /carers of children with Additional Support Plans will have an opportunity to review these plans at Parents' Evenings. All Medical Care Plans should be updated for this school session 2026-2027. Parents /carers of children with Medical Care Plans who require a PEEP for Emergency Evacuation should contact the school to update and confirm arrangements for evacuation by 18 September 2026. Parents /carers who are aware of any necessity to change existing PEEP's due to changes in Medical Care Plans over the Summer period should make contact with the school office to arrange a meeting with the School Leadership Team as an urgent priority for the safety of children. In addition, if you wish to raise any issues regarding your child's learning or well-being, please do not hesitate to contact the school office who will forward your communication to the most relevant member of the staff team.

Parent Partnerships

The school continues to work hard to provide a number of distributed opportunities to welcome parents/carers. We welcome all parents /carers to set up a Parent Council or PTA for session 2026-2027. The school would welcome expressions of interest by email to the school gw14stpeterspsoffice@glow.sch.uk by 11 September 2026. In order to configure a formal Parent Council or PTA, a minimum number of contributors are required to fulfil roles and also to comply with the constitution. Informal opportunities for parental involvement will be offered in the course of the school session.

School Clubs

School clubs commenced week beginning 24 August 2026. We are delighted to offer a four week Dance Club for P4-7 in the month of September 2026. As new clubs become available, information will be forwarded to relevant classes.

Digital Sway Showcases

Primary 1 start of school photographs and a Primary 1 learning showcase have been uploaded to a digital Sway. The school is still awaiting some parental permissions for the publication of this Sway and additional details regarding security settings. We apologise for the delay and hope to be able to provide the link once all permissions have been confirmed and security settings have been reviewed. We ask that parents/carers return the Photographic Permissions form as soon as possible to avoid any further delay. Room 3 are completing their digital showcase week commencing 31 August 2026. We would hope to be able to share this showcase on Sway in the next few weeks. An email will be forwarded to parents/carers of Rooms 1 and 3 when these links can be made available.

Reminder of What to Expect? Helpful Hints!

Standards and Qualities

A summary copy of the school Standards and Qualities Report completed by Mrs W Gallagher (Acting Head Teacher for session 2025-2026) has been compiled and made available to view on the school website.

Annual Administration Updates

Annual update packs were forwarded to parents/carers, on Thursday 13 August 2026, for completion and signing. Return was due by Wednesday 19 of August 2026. If there are changes to phone contact details or medical information please inform the school office as soon as possible. It is essential that Medical Care Plans are updated and medicines are made available to the school office. Medicines must be recorded on the Administration of Medicines Form. Please ensure medicines are 'in date' for use.

School Communications

Many thanks to parents/carers for your co-operation in ensuring contact is made to the school via telephone call on 01698 281277 or email office@st-peters-pri.s-lanark.sch.uk in the first instance. If you have any questions or wish to raise any issues with the school, please do not hesitate to contact the school office. The relevant member of staff will respond to you in due course. Any medical emergency or Child Protection related matters should be highlighted to the school office as requiring an urgent response. All Child Protection issues should be reported directly to the Child Protection Co-ordinator Miss CL Mullen. The School Leadership Team may offer you an in-school appointment, if a face to face meeting would be more appropriate in specific circumstances. I strongly recommend regular view of school emails, Parents Portal and the school website for ongoing communication. A new platform to replace 'X' continues to be under consideration. X will continue to be used for urgent communication until an alternative is established. A digital Sway will be used to publish photographs of online classroom showcases and school events and will be forwarded as link to relevant classes. Parents/carers will be given the opportunity to select a digital paperless email option to receive school communication. Parent Portal will continue to be used for the publication of some communications. It is recommended to ensure access to both Parent Portal and email options for spontaneous receipt of ongoing communications.

School Drop Off and Pick-Up Reminder

Children should enter through their allocated gates. On exit, children of P1-4 must be collected by an appropriate adult aged 16 or over who is familiar to the child from their exit gates. If children are being collected by adults, other than those known to the school or the child, please telephone the school directly to make this request. Primary 1 parents should make staff aware of the adults who they typically wish to collect their child. Any changes should be communicated to the school office. Parents of children in P5-7 can give permission for their child to walk home or to walk to an alternative gate or location to meet their carer independently. Please note that P5-7 children will continue to exit from their own gate with their class and can use the pedestrian pathway at the front of the building to make their way to alternative gates or pick-up points. A permission slip will be made available for you to communicate your wishes so that teaching and support staff are aware of your choices. In the interim, parent/ carers of Primary 5 children should email the office if they wish to give permission for their child to walk home. Primary 6 and 7 children already have signatories in place from the previous session and are only required to email if there is a change to permissions. Updated forms will be provided in the Administration Pack and should be completed and returned by all P5-7 children by 19 August 2026. Any sporadic changes to information should be emailed to the office. The measures are intended as safeguarding procedures. Support staff **will not** be available to collect children from classes for early dismissal during the period 2.40pm and 3pm. If for any reason you require to collect your child early, please contact the office and arrange an early pick-up before 2.40pm.

School Uniform

Many thanks to parents/cares for assisting the children to present to school in full school uniform. I fully appreciate your support in dressing the children so well for school. High standards of presentation can support the children to recognise their identity within the school and can help to showcase the school within the local community and beyond. Please refer to the School Handbook on the website for further information. Please note children will be requested to wear full school uniform to Mass and other specified events. Therefore, we recommend that all children have access to a school tie. As a reminder, I ask that the children adhere to guidelines on shoe wear and make indoor shoes available by Friday 21 August 2026. Waterproof jackets are preferable in inclement weather and on days the children are scheduled to participate in events.

Registration

Gates will open at 8.45am and the playground will be supervised by staff. Children should present to school for 9am and be collected at 3pm. Children arriving after 9.10am should present to the school office. In the event that your child is unwell or absent for any other reason, please inform the school by phone call prior to 9.15am on each day of your child's absence. If your child is due to have an extended period of absence for hospital admission or any other reason please inform the Head Teacher in writing prior to the first date of absence.

Breakfast Club, Snacks and Lunches

Breakfast Club is available for pupils from 8.15am to 8.45am on school days from Monday 17 August 2025. Intervals are timetabled for 10.30am to 10.45am and lunches 12.45pm to 1.30pm. Primary 1 children will begin lunch at 12.30pm for the first few days of the school year to help them become familiar with the lunch routines. P6 Buddies will provide support in the early days. Children should remember to bring water bottles, snacks and lunches with them in the morning. To take account of pupil allergies, children should not share food or drink or bring any fizzy drinks or food containing nuts to school. Parent Pay can now be used to purchase milk (link available on website). Menu updates available online https://www.southlanarkshire.gov.uk/info/200259/education_benefits/291/school_lunches/2.

Class Teacher Allocation

The class teacher allocation at the start of school session 2026-2027 is planned as:

Class	Teacher	Class Teacher	Days	CCC Teacher
Primary 1		Mrs C Kane	Monday—Friday	Mrs K Roy
Primary 2/3		Miss A Keatings	Monday—Friday	Mrs K Roy
Primary 4/5		Mrs Sharon MacFadzean	Monday—Friday	Mrs K Roy
Primary 5/6		Mr E Tarrier	Monday—Friday	Mrs K Roy
Primary 7		Mr P Milwain	Monday—Friday	Mrs K Roy

PE Schedule

PE will commence week beginning Monday 17 August. 2026. White polo-shirts, dark coloured shorts (preferably black) and indoor gym shoes are required for indoor PE. In the Summer months/ Autumn and Spring months, teachers may select to conduct PE outdoors (weather permitting). In the Winter months, PE tends to be conducted in the indoors. On Muga days, children are permitted to bring Muga or surface appropriate trainers for changing into at intervals or lunches.

As previously communicated, for health and safety reasons, children will not be permitted to participate in PE or other active physical activities wearing hoop or long hanging earrings. Children will be asked to remove hoop/ or long hanging earrings. Children will be requested to either remove or tape stud earrings.

In addition, children will not be permitted to participate in PE or other active physical activities whilst wearing fake nails, nail extensions or other nail adjustments which are not the natural nail of the child. Reference to 'other physical activities' includes play in the Muga or the Trim Trail. This is to reduce the risk of injury to your child and / or other children.

The planned PE schedule for 2026-2027. Please note this timetable can be subject to change. Any changes will be informed by class teachers.

Class	PE Day 1	PE Day 2
Rm 1	Wednesday	Friday
Rm 3	Monday	Thursday
Rm 4	Monday	Wednesday
Rm 5	Tuesday	Thursday
Rm 6	Wednesday	Thursday

Mobile Phones / Digital Devices

For the continued safeguarding of children, I ask that children refrain from bringing mobile phones, digital watches or digital devices which have online access to school. As per the new Mobile Devices Policy published in session 2025-2026, if you require or wish your child to bring a mobile device to school, please ensure completion and signatory of the new Mobile Device Policy User Agreement which was implemented in session 2025 and 2026. A reminder that all mobile devices are required to be kept switched off in the children's bags at all times within the school grounds. The school will not accept any responsibility for misuse of, or damage to or theft of any phone or digital device. The school will keep abreast of National or Local Authority guidance and review guidance regularly in accordance with Local Authority protocols.

Car Park/ School Environments

Parents are asked to follow the School Traffic Management Plan which is available on the website. Parents are asked not to park in the staff car park for pupil safety unless a disabled badge is displayed. School gates must remain cleared for emergency vehicle access. Dogs are not permitted in the school grounds. The use of cigarettes and e-cigarettes are not permitted on the school grounds. Please vacate drop-off and collection points promptly.

Religious Celebrations

Fr King will confirm provisional dates for school Masses and the Primary 1 Blessing in due course. Families are welcome! Fr King will offer a date for Sacramental meetings in the month of February between 6pm and 7.30pm. The provisional date for the Sacrament of Reconciliation is set for 15 March 2027 at 6.30pm and First Communion is set for 8 May 2026 at 10am. The Diocese of Motherwell have confirmed the date for Confirmation as 22 February 2027 at 7pm. Confirmation of these provisional dates will be communicated to families in due course following a planned meeting of Fr King and the Head Teachers of both St. Peter's Primary School and St. Mark's Primary School. I hope early communication of the dates helps families to prepare their children for receipt of the Sacraments. A reminder that dates can, in unavoidable circumstances, require to be changed. Families are welcome to join the children at First Friday Masses and Holy days of Obligation.

Changes to First Friday Mass

Fr. King has informed the school of changes to First Friday Mass observance for this school year. As a result, of increased school numbers at St. Mark's Primary School alongside school numbers at St. Peter's Primary School, capacity in the church will be stretched. On the basis of risk assessment, Fr. King, in agreement with both Head Teachers, has selected to alternate religious observance for both schools between church and school. There is due to be a meeting of the Head Teachers and Fr. King to plan dates in the coming week. Further information will be provided as a Calendar update in due course.

School Fire Alarm Activation 28 August 2026

Many thanks to staff and children for their actions in response to the school fire alarm activation on Friday 28th August. 2026. The children were evacuated safely and returned to the school building once necessary Fire Safety Protocols were completed.

Late Entry on Monday 31 August 2026

Thank you to parents/carers for their understanding and response to the late entry notice on Monday 31 August 2026. The school requested a late entry due to a technical fault with the main door opening mechanism which resulted in temporary non access to the school. As a result, the school forwarded an email to parents/carers prior to 9am to advise of the temporary late start to school entry and further communicated re-opening at approximately 9.20am. We apologise for any inconvenience to families.

I wish the children a happy and inspiring Autumn term.

Yours Sincerely

CL Mullen

Head Teacher

Our Vision Values and Aims

In St. Peter's Primary School we aim to:

- foster excellence and achievement by setting high standards and expectations for learning, progression and engagement.
- offer motivating and challenging learning, play and social experiences which provide opportunities for learners to excel, succeed and achieve in learning, life and positive destinations.
- inspire learners to demonstrate ambition, aspiration and commitment to achieving success in their personal learning journey, wider interests and contributions to a sustainable global society.
- nurture learners to build attachments, self-esteem, confidence and resilience through creating a safe environment in a culture of care, positive relationships and quality health education.
- promote belonging and inclusion through offering a range of opportunities and experiences for involvement in the life of the school and wider community, celebrate our unique identity and diversity and respect children's rights.
- identify and meet learners' needs through well-planned learning experiences, targeted support intervention and quality partnerships with parents/carers, families and linked agencies.
- to develop leadership and voice opportunities at all levels and participate effectively in teamwork to build capacity, encourage empowerment and drive innovation.
- model faith life values by demonstrating kindness, compassion, mutual respect, tolerance, integrity, empathy and care for others in partnership with our families, school and parish community.

Health and Safety Update

PE Health and Safety Notice

For health and safety, children with longer than shoulder length hair should have their hair tied up for PE, unless for any medically specified reason (informed to the school by parent/carer). It is advised that earrings are not worn on PE days. If it is not possible to remove stud earrings, they should be taped up for PE. All drop or loop earrings must be removed for participation in PE and physical activities. All other jewellery should be removed for PE lessons. All children should wear appropriate indoor shoes (plimsolls) when participating in PE indoors. Children will not be permitted to wear Crocs, boots, high heeled typed shoes, slippers or shoes with no covered heels as indoor shoes or for PE due to the safety risk to children. Indoor shoes should be shoes that are not worn outside to reduce wear damage to floors and carpets. In addition, we encourage children not to wear false nails to school. Children will not be permitted to participate in PE, Muga or Trim Trail activities whilst wearing false nails (this includes any type of nail augmentations e.g extensions which are not the child's natural nail) due to the risk of harm or injury.

Traffic Management Health and Safety Notice

Families are reminded that children are asked to exit the school via the pathways provided. As part of our Traffic Management Systems, children should not cross the car park. It is hugely important that adults collecting children also observe this rule to ensure the children are supported to follow the safety rules. Vehicles blocking or parking at emergency or main gate exits or out with parking bays or the drop off zone will be asked to move their vehicles to a safe location. A consultation meeting has taken place regarding congestion on Hightstonehall Road outside the perimeter fences of St. Peter's Primary School, Neilsland Primary School and Woodlands Nursery with a view to considering measures to reduce parking in the area, eradicate parking on pavements, prevent engine idling and minimise additional safety risks to pedestrians and other road users. A further update will be provided in due course. In the interim, we would join with Neilsland Primary School and Woodlands Nursery to encourage children and families to walk to school, ride bicycles or scooters to keep active, reduce congestion and minimise impact to the environment. In addition, children bringing bikes / scooters to school should dismount and walk with the equipment in the school grounds to avoid accident or injury to themselves or others.

Inclement Weather Health and Safety Notice

A reminder to families that in the event of inclement weather (ice, snow, high winds) requiring the closure of some school gates the children will enter the building through the main pedestrian access gates and follow gritted pathways to the PE hall where they will be supervised by staff. Risk assessments of the outdoor pathways and playground areas are completed at regular intervals throughout the school day. Updates on the weather forecast or any advance weather warnings are considered.

Many thanks for all your support!
